

The DOC Achieves Oracle PartnerNetwork Specialization for Oracle Database 11g

8 May 2011 - The DOC, a Gold level member of Oracle® PartnerNetwork (OPN), announces that they have achieved *Specialization* for *Oracle Database 11g*.

To receive this Specialized status, partners of Oracle must meet a set of very strict requirements that are based on the needs and priorities of both customers as well as the partner community. By achieving this, The DOC has distinguished itself and is recognized by Oracle for its deep expertise in delivering services that specifically focus on Oracle Database 11g.

Paul Terpstra, Commercial Director of The DOC said:

"It is a considerable effort for a company to reach the Specialized status. Achieving this recognition and specialization makes The DOC a valued and qualified partner. It proves that we are an experienced specialist for the continuity of complex database environments."

Bas Diepen, Senior Manager Alliances and Channels Technology, at Oracle Nederland BV:

"The DOC has proven that they have the knowledge and experience to meet the highest standards, offer the right service and ensure customer satisfaction – all of which are required to achieve specialization. Oracle encourages all their partners to enhance their position with customers by gaining specialized status. We are delighted that the DOC's investment in acquiring knowledge and skills in Oracle has resulted now in this Specialization."

The DOC has senior professionals with experience in the various Oracle database versions, but also in Oracle SQL Developer, Oracle Application Express and PL/SQL to implement custom-build solutions for customers.

About the Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) Specialized is the latest version of Oracle's partner program that provides partners with tools to better develop, sell and implement Oracle solutions. OPN Specialized offers resources to train and support specialized knowledge of Oracle products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to differentiate through Specializations. Specializations are achieved through competency development, business results, expertise and proven success. To find out more visit <http://www.oracle.com/partners>.
